LED Light VL300/VL200/VL150

VL300/VL200/VL150

Godox new LED lights VL series are lightweight and compact light source, with three versions in different power consumption for choice: VL300, VL200 and VL150. With high performance and accurate color rendition, VL Series are ideal light source for newborn photography, still life photography, portrait, studio lighting, interview lighting, video recording and filming.

Strong Power Output & Accurate Color Rendition

The 5600K-balanced VL series maintain advanced accuracy in color rendition with CRI and TLCI ratings of 96 and 95 respectively.

Stepless Dimming from 100% down to 0%

Optional Power supply

Power supplied by DC power or V mount lithium battery. With two high capacity V-Mount batteries, the VL series can produce their maximum output without the heavy cord system, allowing users to power anywhere and travel light.

Remote Control and Mobile APP Support

The VL lights , using the wireless remote control (optional) , are able to control the lights within 6 groups and 16 channels wirelessly at 433MHz.

The downloadable GodoxPhoto app is compatible with iPhone or Android smartphones or tablets while operating the VL Series via Bluetooth.

6 Groups

16 Channels

Separate Controller and Adapter from the light body

Though VL Series have high power output (150W, 200W & 300W), the VL Series introduces new design which maintains them very compact and lightweight aircraft bodies. VL150 weighs just 1.97kg and even the VL300 weighs 2.64kg. With a separated controller, users will be able to mount the light in any position and adjust the light setting via the controller which has a crystal clear LCD panel.

Fast Cooling and Quiet Fan

VL Series are cooled by a quiet fan.

More details

Its rotating yoke allows underslung to go really low to the ground without any discomfort, able to be adjusted at various angles easily.

Compatible with Bowens mount accessories, easily modified.

Come with a carrying bag, easy to take it anywhere.

Item Included:

- Led Light X 1
- Controller X 1
- Adaptor X 1
- Power Cord X 1
- Cable X 1
- LED Bowens Mount
- Reflector X 1
- Lamp Protection Cap X 1
- Carrying Bag X 1
- Instruction Manual X 1
